	Irr.4.9,18,20	Irr.4.9,					city, town	cities			5892
	& vowel change	18,20									

Notes: Irr. = Irregular (looks like one type, but is another)
on p. 19 (of the 2005 edition), the 2nd line under 4.8 (at the top): מַלְכוּת has a dagesh in the כ when it shouldn't
(this was caught in many other places when they made the 2nd edition, but missed here)
